Our Role

Our role is to manage and maintain the Village Hall on behalf of the Foston Village community and although we are not here to run hall activities, we do organise seasonal events such as the Easter Fair, Summer Fete and Christmas Market.

Last Years Summer Fete was a resounding success however sadly the same could not be said for our Easter Fair and attendance at the April AGM. On reflection, I feel we the Committee can do better, by doing more via email and the new village website. In addition to this, we will produce a new Quarterly News Letter (this being our first), where through the newsletter we can update you on past and future events. We are keen for any feedback on how we can communicate better, or any other thoughts you might have in making the hall meet the needs of the Village. So feel free to email us at: claude_preira@yahoo.co.uk
