Dear Customer

NOTIFICATION OF ESSENTIAL DRAINAGE MAINTENANCE A1 COLSTERWORTH TO LONG BENNINGTON

I'm writing to let you know that we'll be carrying out essential drainage maintenance on the A1 between Colsterworth and Long Bennington.

The works will relieve the drainage blockages caused by debris including silts, leaves and roots. These blockages can cause the surface water to back up the system, through the drainage chambers and onto the carriageway.

Once completed, road users will benefit from improved road safety.

When will the work take place?

Work is due to start on Monday 9 May 2022 and we anticipate it will be completed by the end of September 2022.

We will be working from 9pm to 6am, Monday to Friday. To maintain a safe environment for our workforce and motorists, we will need to carry out this work in lane closures.

All carriageways will be open, as usual, outside of our working hours.

Please note that our planned work is subject to change due to weather conditions or unforeseen circumstances.

How will the work affect businesses and residents?

We will ensure that access to businesses and residences is maintained wherever possible.

Contact Us

If you have any questions about this work, please call the National Highways Customer Contact Centre on **0300 123 5000**. You can also email us at info@nationalhighways.co.uk

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Yours faithfully,

Gary Butler
Drainage Engineer
