Coronavirus COVID-19 Parish Update

APRIL 2020

Welcome

Coronavirus has turned our normal community life upside down as residents, charities, and businesses come to terms with a temporary but very different way of living. During such difficult times, community spirit and leadership are even more important. So I want to thank everyone for what they are doing, individually or through community groups, to support some of our most vulnerable residents.

At South Kesteven District Council we are prioritising our critical services as we work together to slow the spread of COVID-19. Central to all our decisions is the health and wellbeing of our residents and our staff, as well as supporting our local businesses through this crisis.

Cllr Kelham Cooke, Leader of South Kesteven District Council

Support for Business

To support our local businesses InvestSK's focus during the Coronavirus pandemic is business resilience and continuity. Its role is to help businesses quickly find the support they need to cope with the impact of COVID-19. There is a range of help available including advice, support, and funding. Although public safety is rightly

the top priority, InvestSK can help businesses to plan, prepare and reduce the impact of Coronavirus on their operations.

InvestSK is working for South Kesteven District Council and closely with Lincolnshire County Council and the Lincolnshire Resilience Forum.

A Coronavirus web page to

support businesses is available on the InvestSK website.

Support for Residents

SKDC is prioritising its critical services during COVID-19. During a crisis things can change rapidly, and we are ready to respond accordingly. To help residents to keep up to date with any changes to services we have a Coronavirus web page which is

updated daily.

We have had to change how we deliver our Customer Services and we are now providing that contact, support and advice by telephone and email only. Residents can access Customer Services by:

Telephone: 01476 406080

Email: customerservices@southkesteven.gov.uk

Telephone (out of hours): 01476 590044.

Support for Charity

Charities are often at the very heart of work in our communities. They know what help is needed and where. There has been a groundswell of people needing help and a lot of people wanting to volunteer but unsure how best to do it. Our community hub, operated by SKDC staff, is open

seven days a week and can provide that vital link. The hub is open daily from 8am to 7pm. We have also doubled our Ward Member Grant Scheme. Each SKDC councillor can access £1000 to support good causes in their wards.
