

All the fun of the Fete

Foston Fete Saturday 24th May 2017

Foston's annual Summer Fete was held this year on mid-summertime day and it got off to a good start with a gymnastic display on the lawn. This was followed by a visit from the Lincolnshire Fire Brigade with a bright and shiny red fire engine which the children were allowed to explore.

The bouncy castle kept all the children happy along with the tombola, skittles. There was no shortage of food and drink including: ice cream, tea, scones and cake, the bar was serving Pimms and Beer and a BBQ was busy cooking burgers and sausages.

There were stalls selling all sorts including plants from Busy Bee in Grantham, cards, jewellery and knickknacks. The regular stalls comprising of skittles and the washing line game where you have to see how many pegs you can hold in one hand.

Charley, checking out the Fire Engine.

Eva having a go at the peg game.

The raffle is always a huge success, with great prizes donated by local businesses and residents including money, wine, whisky, chocolates and an unusual one, wild bird seed!

There was great excitement when 2, Tug-of-War teams fought it out with the best of three pulls and it was won by the girls team with a little help!

Skittles in action

Tombola in full swing

Thank you to everyone who came along the sun shone, it didn't rain and everyone had a really lovely time.

Thanks to everyone who helped, and lots of money was raised for Village Hall funds.
