Subject: Foston Parish Council Accounts year ended 31 March 2016

Christina

I have audited Foston Parish Council Accounts for the year ended 31 March 2016 by a series of reconciliations, sample and in-depth checks as appropriate.

Based on the information provided, my view is that there is a reasonable level of control on income and expenditure.

I discussed a number of items of detail with Wendy, the majority relating to clarity and simplification. All of the items discussed are of a minor nature.
